Honeypot Monitoring Security Report

Generated Date & Time : 21-05-2026 12:31:08 PM

Security Summary

Total Alerts : 38

Suspicious Activities : 34

Decoy Documents : 7

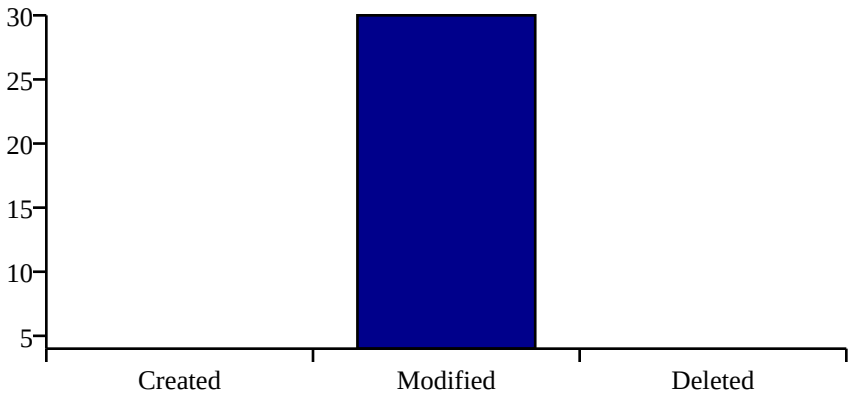
Created Events : 4

Modified Events : 30

Deleted Events : 4

Severity Status : ACTIVE MONITORING ENABLED

Priority Level Analysis



Event Description Summary

Event : MODIFIED
Time : 2026-05-21 12:29:46
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\project-upcomming.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 12:29:33
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\project-upcomming.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 12:01:41
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\main_ employee_ contacts.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 12:01:30
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\main_ employee_ contacts.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 11:28:19
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\main_ employee_ contacts.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 11:28:07
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\main_ employee_ contacts.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 11:26:43
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\project-upcomming.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 11:26:32

Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\project-upcomming.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 11:23:18
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\bank_passwords.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Event : MODIFIED
Time : 2026-05-21 11:23:07
Description : A suspicious activity was detected in the honeypot environment. The monitored decoy document **./honeypot\bank_passwords.txt** triggered a security event classified as **MODIFIED**. This activity was recorded for forensic investigation.

Detailed Honeypot Log Report
